SUBJECT : IRAN Program Project [REDACTED]

25X1A

REFERENCE : DPS-5946

1. This office was informed 10 March 1959 that SAC proposes to commence IRAN of the U-2 on 1 February 1960. To permit a continuous flow through the IRAN cycle, it is recommended that the attached proposal be returned to LAC for resubmission in accordance with the provisions of Para Two.

2. Scheduling of aircraft by LAC should consider the following provisions:

a. Schedule slots using six weeks turn-a-round time  
(New turn-a-round factor furnished by [REDACTED]  
which will complete eight U-2's by 1 February 1960.

25X1A

b. Due to Project commitments only two U-2's will be in the IRAN cycle at any given time.

c. LAC to schedule input dates and leave U-2 numbers blank. Headquarters will furnish [REDACTED] numbers upon review of new proposal.
